PROSPECTUS 2018

cetb
Bord Oideachais agus
Oiliúna Chorcaí
*Cork Education and
Training Board*

CETB
Foreword

Cork Education and Training Board (CETB) was formed in 2013 through the integration of the Cork City and County Cork VEC's and in January 2014, what was Fás training in Cork came under the remit of Cork ETB. For the first time ever, further education and training (FET) became part of a single, coherent integrated structure. Cork ETB's FET services (FET CORK) sit alongside our primary and post primary services in providing high quality education and training services which are innovative, responsive and inclusive. Through Cork ETB there is a pathway for every learner.

FET Cork is tasked by SOLAS to provide high quality FET programmes which are responsive to the needs of learners and the requirements of a changed and changing economy. Through the varied and diverse programmes and courses delivered by the colleges and centres that operate under FET Cork, learners are provided with education and training opportunities that are designed specifically to provide the skills and competencies necessary and required to access the world of work, or to progress on to further studies. Our courses are recognised and certified by nationally and internationally recognised awarding bodies, with graduates highly valued by employers and with direct access links from many courses into Higher education courses in Universities and Institutes of Technology, both in Ireland and abroad. Learners engaging with FET Cork programmes reflect the fullness of Irish society, in terms of age, experience, gender, ethnicity and so much more. Participation on a FET Cork programme is designed to develop the skills, knowledge and understanding of the individual in an environment that is supportive and encouraging, where differences and diversity are recognised and respected. School leavers, mature learners, learners with a disability and learners who have come to Ireland to make it their home are welcomed, supported and encouraged to participate and engage with our programmes.

Presented in this prospectus are a range of full time programmes offered by St John's Central College. Within the diversity of programmes offered I am sure that you will find something that will provide you with the foundation and impetus to take the next step in your learning journey, and that you will have an experience built on our commitment to high quality teaching and learning in a supportive environment that will expand your horizons and provide new opportunities for your future.

John Fitzgibbons
Director of Further Education and Training
Cork Education and Training Board

The
St. John's
Experience...

I am delighted that you are considering St. John's Central College as a place to study and am very pleased to introduce our 2018 Prospectus. It will, I hope, give a comprehensive description of all the activities of the college and will help you make an informed decision about your future.

We are committed to ensuring that you excel in your chosen programme and leave college with results and skills that will better equip you for progression to Higher Education, an apprenticeship or employment.

We understand that every learner is different therefore we provide outstanding pastoral support and student support services to meet the individual needs of each student.

We provide a modern, friendly and innovative learning experience that will stretch and challenge you to achieve your full potential. You will have access to top-class industry standard facilities which we invest heavily in. The college and Cork ETB is very proud of achieving the status of an Apple Regional Training Centre, becoming the only Further Education College in Ireland to have done so.

We have always been recognised for our strong links with employers and local industry. This association ensures that students will have access to work placements and are well equipped with the skills required for future employment. In addition, the college has a highly successful EU work placement programme which offers students the opportunity to apply for an exciting EU work placement.

We are immensely proud of the many students from our college that go on to higher education each year. Our partnerships with local, national and international Universities and Institutes means students have many pathways to progress in their chosen field of learning. All our courses are certified by Quality and Qualifications Ireland (QQI) and all successful students will achieve full national certification.

St John's Central College is open and welcoming - There are opportunities here for everyone and I invite you to look at our courses and choose the one that suits your needs. Join the many students who have attended the college in the past and who have used the qualifications obtained in St. John's Central College to begin a new phase in their chosen career path.

Paula McCarthy
Principal

APPLIED SCIENCES

Animal Care - Canine Husbandry *(Level 5)*

INTRODUCTION

This course is designed to give learners foundation training in animal welfare in particular for dogs. It introduces elements of all industries that involve man's best friend, but it is advisable that progression to the Level 6 Canine Studies and Management is made to study further and gain important business and management skills.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview.
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview.

CERTIFICATION

QQI Animal Care 5M2768

WORK PLACEMENT/EXPERIENCE

Participants will be required to undertake 10 days of work placement in a relevant location. Students should get work placements in the first instance and in certain circumstances the college will assist in identifying suitable placements.

INTRODUCTION

If you can say YES to any one of the following then this may well be the course for you:

• Always had an interest in art and would like to learn more.
• Creative & want to try different subjects to nd out what you enjoy most.
• Want to prepare a portfolio for application to Art & Design Colleges.
• Like to get hands on experience exploring different materials and art forms.
• Improve your skills in Art, Craft & Design.
• Start a career as an Artist, Craftsperson or Designer.

Students work with an Art & Design or Art & Craft emphasis. Our Philosophy is simple – explore, express, create.

There is a strong focus on **portfolio preparation** with one to one guidance for those applying to Art & Design Colleges including the Crawford College, Limerick School of Art and Design, National College of Art & Design and IADT with very high progression rates.

ENTRY REQUIREMENTS

• In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
• All applicants will be required to attend an interview
• An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION

QQI Art, Craft & Design 5M1984 *or* QQI Creative Craft level 5 5M1981

WORK PLACEMENT/EXPERIENCE

Participants will be required to undertake 10 days of work placement in a relevant location. The College will assist participants in identifying suitable placements.

CAREER OPPORTUNITIES

Artist, Crafts designer and maker, working in Art and Craft Retail and Art related services.

Fine Art - Painting & Sculpture
(Level 6)

INTRODUCTION

This course offers students the opportunity to extend their artistic potential mainly through painting, drawing and sculpture. Traditional and contemporary painting techniques and theories are explored in a 'hands on' way. Students are provided with their own personal studio space (as well as easels, paints, canvas etc.), daily tutorials from specialist staff. Students also work in alternative media and sculpture in a complementary way to their painting practice. Art appreciation classes deepen the student's understanding of historical and current facets of the visual arts both locally and internationally. We support students in portfolio preparation and assist them in establishing themselves in the art world in the future.

ENTRY REQUIREMENTS

For entry to Level 6 a full QQI Level 5 Award in a complementary area is required. There is a strong focus on portfolio preparation with one to one guidance for those applying to Art & Design Colleges including the Crawford College, Limerick school of art and design, National college of art and design and IADT with very high success rates.

CERTIFICATION

INTRODUCTION

Do you have an interest in art and creativity? Do you enjoy making? Would you like to learn how to use your creativity to help other people?

On this course, students develop their own artistic and creative skills, and then learn how they can use their creativity to help others. The course features a blend of practical, hands-on subjects in drawing, design and 3D making, as well as the skills of organising and helping other people or groups to work creatively.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION

QQI Design 5M2208

WORK PLACEMENT/EXPERIENCE

Participants will be required to undertake 10 days of work placement in a relevant location. The College will assist participants in identifying suitable placements.

EDUCATION PROGRESSION OPPORTUNITIES

INTRODUCTION
Creative Technology and Arts Programme (CTA) is offered in order to cater for the needs of a population of students referred through the HSE services. The College offers a number and variety of supports. These include but are not limited to guidance counselling, extra support and flexibility in relation to class structure, an open and understanding attitude to the challenges faced by individuals, an awareness of obstacles in returning to education, and setting provisions in place to cater for such obstacles. Social activities are also woven into the course structure in order to enhance social integration and group cohesion from the outset of the course. This course is run in partnership with City Links (HSE).

The College has a designated staff member, with the overall role of guidance counsellor, who is assigned the task of supporting students in continuing and sustaining educational engagement.

ENTRY REQUIREMENTS
• Places on this City Links (HSE – St. John's Central College) programme are by referral through the HSE services.

INTRODUCTION

The purpose of this foundation course is to prepare students with the basic skills required for work in the field of fashion design. They will learn how to do a comprehensive body of pre-design work, learn how to draft and use patterns and acquire extensive experience of sewing machine skills. During the year they will visit fashion design studios and have numerous guest speakers visit on campus.

Students enter all major national fashion competitions:

- Re-invent Fashion Awards
- Young Wedding Designer (Wedding Journal)
- DCU Young Designer Competition
- Cork Fashion Week 'Designer of the Year'

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.

Fashion Design
(Level 6)

INTRODUCTION
This course allows students to develop their core knowledge of fashion to a more advanced level. It aims at developing creative and technical skills focused on gaining employment in the fashion industry and also allowing the student the opportunity to present a strong portfolio in fashion. Project work includes a wide range of activities including design, illustration, trend forecasting, styling, pattern cutting, garment construction, retailing and fashion photography. Students are encouraged to visit regular exhibitions and shows with a view to presenting their work for exhibition at the end of the school year with the college. The aim of the course is to give students skills which will have a strong grounding in the fashion industry.

ENTRY REQUIREMENTS
• For entry to Level 6 a full QQI Level 5 Award in a complementary area is required.
• All applicants are interviewed. Bring examples of creative work.

CERTIFICATION

INTRODUCTION

Graphic design is a vehicle for communication as well as self-expression. It is about communicating visually in order to inform, educate, entertain or persuade. Graphic designers provide creative, visual solutions for anything from magazine layout to packaging design. Students will produce a portfolio of design work, including posters, magazine layouts, logo design, book illustration, drawing and more. You will be encouraged to explore and express your ideas through a variety of media while developing your own unique and individual approach to visual problem solving.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications. Students should bring a small portfolio of work to interview.
- All applicants will be required to attend an interview

INTRODUCTION

Illustration is the art of making ideas visible through imagery and a successful illustration is one that communicates its message through the unique/personal vision of the illustrator. This course blends digital technology with classical training, while offering a creative environment where students can experiment, test and develop their illustrative work.

Students work towards creating a portfolio (both hard copy and online) showcasing their work, allowing them to progress to the next level, be it higher education or industry.

Potential platforms for successful students are wide ranging including, editorial, children's books, advertising, fashion, web illustration, animation and product illustration etc.

Furniture Making & Restoration Skills *(Level 5)*

COURSE CONTENT

Combined Materials	5N0764
Communications	5N0690
Design Skills	5N0784
Drawing	5N1862
Furniture Making	5N1275
Furniture Restoration & Conservation	5N5648
The Internet	5N1611
Upholstery Skills	5N0538
Wood Finishing	5N1360
Work Experience	5N1356

INTRODUCTION

This course will give participants a broad understanding of all aspects of Furniture Making and Restoration. The course is based heavily on a practical ethos, with a large emphasis on project work. During the course, students will also complete a number of other modules such as combined materials and drawing, which will be of enormous benefit to any aspiring woodworker.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION

QQI Furniture Design and Making 5M2012

WORK PLACEMENT/EXPERIENCE

Participants will be required to undertake 10 days of work placement in a relevant location. The College will assist participants in identifying suitable placements.

EDUCATION PROGRESSION OPPORTUNITIES

INTRODUCTION
The course aims to educate and train students in Mechanical Engineering with emphasis on the technical requirements of industry in Ireland. The course is a preparation for direct employment in an engineering industry. It will provide students with a solid foundation to study an engineering course at third level.

Students studying Mechanical Engineering have access to technical workshops, fitted with a variety of specialist equipment, including lathe, milling machine, cnc, mig, tig and arc welding.

ENTRY REQUIREMENTS
- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION

INFORMATION
TECHNOLOGY

Applied Computer Training Course
(Level 5)

INTRODUCTION

The Applied Computer Training Course with parent friendly hours accommodates the needs of employers and Third Level colleges. The course content concentrates on the practical computer skills and general administration skills required to work in a modern business or office environment. Educational, career and personal guidance is a strong feature of the course and students are given all the support they need to make informed decisions regarding their future career and life choices.

Special Features
• Parent friendly hours
• Educational, career and personal guidance
• The opportunity to undertake work experience and apply new skills in the work environment
• Campus crèche facility
• Applicants in receipt of a Social Welfare payment may apply for VTOS or BTEA

ENTRY REQUIREMENTS
• In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
• All applicants will be required to attend an interview
• An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

INTRODUCTION

This Cloud Computing course is designed to introduce students to the growing area of Cloud Computing. Students become familiar with the fundamentals of software programming in languages which are Cloud standards. Networking, computer hardware and operating systems are also presented with an emphasis on how they relate to the cloud. Key modules in Virtualisation Support and Distributed Systems are also studied.

On completion successful students may progress to Cloud Computing Level 6, other education opportunities or to the labour market.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview and an aptitude test.
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview
- This course is run in collaboration with FIT (Fastrack to Information Technology) and DSP (Department of Employment Affairs and Social Protection).
- Preferably applicants are in receipt of a Social Welfare payment and may apply for VTOS or BTEA Applications will be canvassed through St. John's Central
- College, FIT (www.fit.ie) and directly through DSP and LES (Local
- Employment Services)

Cloud Computing

(Level 6)

INTRODUCTION

The aim of this course is to provide the learner with the skills, knowledge and competencies to enable him/her pursue a career as Cloud Computing professional. Learners will gain skills in virtualisation, specifically focusing on VMware's technologies, as well as distributed systems which are the key areas of Cloud Computing. Areas of study will also include software design and development in addition to web design and development.

Development supports and progression strategies are provided to develop the learner's personal effectiveness and job seeking skills so as to maximise employment potential and capacity to compete in the labour market.

ENTRY REQUIREMENTS

- For entry to Level 6 a full QQI Level 5 Award in a complementary area is required
- This course is run in collaboration with FIT (Fastrack to Information
- Technology) and DSP (Department of employment Affairs and Employment Affairs and Social Protection).
- Preferably applicants are in receipt of a Social Welfare payment
- and may apply for VTOS or BTEA Applications will be canvassed
- through St. John's Central College, FIT www.fit.ie and directly
- through DSP and LES (Local Employment Services).

Web-Authoring	5N1910
Digital Editing	5N1438
Digital Marketing	5N1364
Multimedia Authoring	5N1299
Digital Photography	5N1270

INTRODUCTION

This course is designed to engage with emerging immersive technologies including 360 video, virtual and augmented reality. Applicants who are new to the industry of digital media will be introduced to video, audio and graphic production and editing.

Students will use these skills to develop projects which they will then market online using web-design skills to create a website and digital marketing skills to create a digital footprint for their project. Students will also be introduced to mobile app development with Swift and analyse existing apps and create one of their own.

St John's Central College is an Apple Authorised Training Centre for Final Cut Pro, the industry leading software for non-linear video editing.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION

QQI Creative Media 5M5048

WORK PLACEMENT/EXPERIENCE

Participants will be required to undertake 10 days of work placement in a relevant location. The College will assist participants in identifying suitable placements.

EDUCATION PROGRESSION OPPORTUNITIES

See: *https://www.cao.ie/index.php?page=scoring&s=fetac*

CAREER OPPORTUNITIES

App Development, Social Media Marketing, Web-Design and Multimedia Production.

IT Sales & Digital Marketing

(Level 5)

INTRODUCTION

This course equips you with skills in selling hardware and software products as part of a sales team.

In a large company, you may be more of a technical expert, while in a smaller one you may well combine technical advice with an all-round sales role.

Participants will acquire digital marketing skills and competencies that will enable them to pursue positions in many fields as well as opportunities for progression to further studies.

This course is run in collaboration with FIT and DSP. Preferably applicants are in receipt of a Social Welfare payment and may apply for VTOS or BTEA.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

Film & Television Production
(Level 5)

INTRODUCTION

The course introduces students to a range of techniques and skills necessary for a successful career in filmmaking, television production and content creation for the Internet. Students develop literacy in visual storytelling and design by turning their own creative ideas and concepts into fully developed films and multi-camera studio based TV programmes. They also develop proficiencies in key technical and creative areas with hands on work in camera, lighting, production design, sound, and digital editing and post production. Along with a purpose built TV studio, students work in state of the art facilities using industry standard software for writing, editing, colour grading, and design.

St John's Central College is an Apple Authorised Training Centre for Final Cut Pro, the industry leading software for non-linear video editing.

ENTRY REQUIREMENTS

• In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.

INTRODUCTION

Photographic Studies QQI Level 6 programme is designed to provide an advanced understanding of the photographic medium. Students' progress through a series of workshops and lectures aimed at increasing their perceptive awareness, which culminates in the individual's ability to apply advanced techniques to concept, thereby producing visually successful and articulate work. This educational process also prepares future photographers to eloquently express their work practice when necessary. Upon completion of the Level 6 programme, students gain considerable experience by organizing a professional Graduate Exhibition at a recognized city centre venue.

INTRODUCTION
This course provides students with a comprehensive training for working in a Retail Pharmacy environment. The Irish Pharmacy Union module provides students with extensive knowledge of over the counter medicines (OTC) and how to interact with customers in a retail setting. Students gain an in-depth scientific knowledge in a laboratory based setting, and also acquire the Business and Pharmacy IT skills necessary to operate effectively in a Community Pharmacy. In light of the demographic changes and aging population structure, the Retail Pharmacy has a pivotal role in Ireland's community health & welfare programmes. On completion of the course, students work competently in Pharmacies giving support to all Pharmacy personnel.

ENTRY REQUIREMENTS
- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

CERTIFICATION
IPU Medical Counter Assistant Certificate
QQI Community & Health Services 5M4468

WORK PLACEMENT/EXPERIENCE
Participants will be required to undertake 10 days of work placement in a relevant location. The College will assist participants in identifying suitable placements.

Tourism & e-Travel
(Level 5)

INTRODUCTION

This course focuses on the necessary skills required for all of the sectors in the Tourism and e-Travel Industry. During this course the student will develop the training skills needed in both practical and theoretical areas. These include travel agency, airline crew and reception, guiding, tour repping and other areas of the tourism and travel industry including cruise liners.

These skills acquired on the course are required in order to succeed in these exciting Tourism Sectors.

Students can also avail of an opportunity to travel overseas on the course as part of work placement and in conjunction with the European Partnership scheme run in St. John's Central College.

ENTRY REQUIREMENTS

- In general, applicants should hold a Leaving Certificate, LCA or QQI Level 4 qualification. For mature applicants, appropriate experience will be considered in lieu of formal qualifications.
- All applicants will be required to attend an interview
- An offer of a place on this course means the applicant has met the minimum entry requirements set out and attended for interview

INTRODUCTION

This course is aimed at students who wish to enhance and upgrade their skills in the Tourism and e-Travel industry. The course encourages the students to up-grade their prior learning and to gain supervisory experience in various industry related areas including airport ground handling and check in, guiding, travel agency, travel retail, event management and all related tourism sectors.

The students also run the College Travel Desk, which simulates the work of a real Travel Agency.

However the course is specifically aimed to those who wish to work in the airline industry, at a supervisory level in travel and tourism related industries and heritage and event management.

Course Features

Galileo International Certification: The International Travel Academy Certificate endorsed by the Irish Aviation Authority and Galileo Travel Port, First Aid Certification.

ENTRY REQUIREMENTS

For entry to Level 6 a full QQI Level 5 Award in a complementary area is required

CERTIFICATION

QQI Tourism with Business 6M5012 International Academy of Travel

WORK PLACEMENT/EXPERIENCE

Students will be required to undertake the specified number of days on the Work Practice module.

Featured
Former Students

CIAN THORNHILL
GAME ART & DESIGN STUDENT LIT

As a 6th year student, I quickly decided that the career I wanted to pursue would involve both art and digital media. After receiving my results I found out that I was a few points short of making it into my course of choice, Multimedia, now Creative Digital Media, in CIT. St. John's Central College for me presented a great transitional period between secondary school and attending college. With their link to CIT's multimedia, now Creative Digital Media, course, I was able to focus on improving my skills and maturing as a student. The location of St Johns and their great facilities really cemented my time there as one that I can fondly look back on. With great teaching staff that feel like friends and colleagues more than lecturers, I was really able to settle into the lifestyle and work ethic of a student in a friendly and inspiring environment. I also took part in the Leonardo exchange project where I went and worked in France for several weeks. It was an amazing experience that I never would have been able to take part in without the support and kind words from the lecturers. After completing my two years in St John's Central College, I look back on my time there as an important time that allowed me to figure out my goals and the areas of study that I wished to pursue. Through my studies in Multimedia, now Creative Digital Media, Level 5 & 6 I realised my passion for Digital Art and 3D Asset Creation and have moved on to study Game Art & Design in LIT.

Giving myself that extra time in a college environment to further my skills and understand what my goals were is something that I would recommend to any student coming out of secondary school. St John's Central College is a wonderful college where I met lifelong friends, received wonderful teachings from some amazing lecturers and had time to adjust to college life and self-motivation. I would recommend it to anyone.

BRENDAN FLAHERTY
INTERACTIVE SYSTEM DESIGNER PILZ, MODEL FARM ROAD

I came from a construction background and as a result of the recession, I decided to re-enter the learning environment. I was in my 30's and it was a big step but luckily I was accepted to undertake the multimedia, now Creative Digital Media, course in St. Johns Central College. I was coming from a point where I did not know a lot about multimedia or what it involved. St Johns Central College and the lecturers that I encountered in the two years that I was there, allowed me to discover my passion for all aspects of multimedia. It gave me the foundation and the confidence to apply for the BA in Multimedia in CIT. The skills and interest that I discovered in St. Johns Central College helped me produce and be involved in international award winning work, allowed me to help out various charities by volunteering the skills I have learned to create promotional videos, websites and an app. Without the influence of St. Johns Central College, I would not be able to achieve these feats. I will be forever thankful for the help that the multimedia course and the lecturers gave me to completely change the direction of my life.

JOE NASON
MULTIMEDIA, NOW CREATIVE DIGITAL MEDIA, GRADUATE

I would highly recommend St. John's Central College to anybody who finds themselves in a similar position to myself.

Having been out of the education system for many years and needing to change careers due to circumstances, St. John's was the ideal choice.

In my own case, I signed up for a multimedia course, now Creative Digital Media, as I always had an interest in photography, video production and the desire to learn new subjects such as web design and animation.

I can honestly say having studied in St John's for two years has been invaluable to me, and helped me with my decision to continue my education in multimedia, now Creative Digital Media, in CIT.

At present, I am undertaking my third year of a four-years BA (Hons) degree in multimedia, this would not have been possible without first learning the fundamentals of multimedia through the course at St John's.

COLM ECCLES
ART, CRAFT & DESIGN GRADUATE

I studied Art, Craft and Design at St John's Central College after leaving school. It proved to be an invaluable experience in my higher-level education. I was given an exceptional foundation in art and design that helped me continue on to an honours degree in fine art and finally a master's degree. While in St. John's I experienced a wide range of art practices and became confident in my choice of BA going forward. During my time at St John's I was able to craft an excellent portfolio of work and with the guidance of the tutors I was able to successfully apply and choose from a wide range of courses and colleges. I am now employed as a UX Designer with IBM in Austin, Texas.

DAMIEN O'BRIEN
CLOUD COMPUTING GRADUATE

I would certainly recommend the QQI L6 in Cloud Computing in St. Johns Central College. It was instrumental in helping me progress straight from the course into full-time employment as a support Engineer with the market leader in Virtualisation products.

SIMON MC CANN

The Cloud Computing course at St. John's Central College provided me with skills and expertise to gain successful employment in a leading international company based in Cork. The modules studied were up to date with industry standard. Links with FIT and local industry paved a way for me to secure a job as Technical Support Engineer.

As well as having the immediate effect of allowing me to secure an internship and subsequently full time position at my current company it has also laid a solid foundation for securing a position in any of the other companies in this sector. I felt the learning was tailored so well that I was confident when I started my role that I would be perfectly prepared for whatever was expected of me. The teaching staff were supportive and up to date with the latest technologies and provided me with the guidance necessary to help me gain the confidence I needed in my abilities. I would highly recommend this course to anyone wanting to upskill to get back to work.
ERIN GOULDING
FINE ART GRADUATE

QQI Level 6 Fine Art captures the life of a practicing artist. The course helped expand my technical skills in drawing, mixing and painting.

Having one to one tuition from my lecturers meant I could hone in on problem areas, understand and resolve them without defeat. I learned to have a more mature and open minded approach to paintings, artists, materials and the art world in general. I experimented in print, mixed media, ceramic and collage. Having all the tools and facilities on hand was such an advantage and opportunity to examine all areas. The course made a significant impression and paved the path to my own artistic career.

To view current and former students work please visit the Cork Education and Training Board iTunes U platform.

COLLEGE
FACILITIES

CUDDLES CRÈCHE

Cuddles Crèche is a purpose built facility, which provides places for children of St. John's Central College students.

- We cater for children from 6 months to 6 years in a safe, secure and warm environment.
- Our rooms are age/stage of development designed and the curriculum offered is related to Aistear, the National Childhood Curriculum Framework.
- Separate sleep rooms are provided for children less than 2 years.
- We have a generous outdoor play facility and access it in all weathers!
- Hot dinners are provided daily by Vanwich Catering.
- We are members of Early Childhood Ireland and are registered with Tusla.
- For bookings and further information, please email crèche@stjohnscollege.ie

COLLEGE CANTEEN

The canteen in St. John's Central College is located in a modern well equipped facility managed by 'Getfresh' the college caterers with its very professional and friendly staff. The canteen provides breakfasts, lunches, takeaways, drinks and snacks with many healthy options for students throughout the day from early morning to late afternoon. It is without doubt a social point for students to meet and mix. The College encourages students and staff to avail of this facility to the full and given its first class service this is easily achieved.

DIGITAL HUB

St. John's Central College is a Digital Hub in its provision of IT programmes. It is an Apple Regional Training Centre and offers free courses to teachers and education staff in the greater Cork region.

We have multiple PC and Apple laboratories with a comprehensive range of software for our information technology and design courses.

THE LIBRARY/INFORMATION RESOURCE CENTRE (IRC)

You are always welcome to join us in the Library/ Information Resource Centre (IRC) which is the hub of the students' learning experience in St. John's Central College. We have resources for each department both printed and electronic. We can also help you with your photocopying, scanning and printing. Our friendly staff is always available to help you on your journey through your chosen course of study.

STUDENT SUPPORT & SERVICES

INTERNATIONAL PROJECTS

Each year a number of students from St. John's Central College are given the opportunity to participate in work placement in other European Union countries. This activity is funded by the European Union's Erasmus + (KA1) program through the Irish national agency Léargas. Our partner countries in this activity include Germany, France, The Netherlands, Spain, Hungary, Turkey and Slovenia. Students from each of our partner colleges also come to Cork on work placement with St. John's Central College hosting their stay.

We are also actively involved in both Student and Teacher projects funded under the Erasmus + (KA2) program. These include school partnership projects and projects involving the development of educational strategies and products. The development of International projects is an ongoing process and forms a part of the internationalisation strategy of the college. Enthusiastic student involvement is essential to the success of these projects.

GUIDANCE AND COUNSELLING SERVICE

The goal of the Guidance and Counselling Service is to support all full-time students in their career, educational and personal development by providing a professional and caring service for students. The Service offers both career guidance and personal counselling to students of all ages, nationalities and educational backgrounds. It has a team of three Guidance Counsellors. The Service is very accessible to students, as well as offering individual appointments to students, it also operates a daily drop in service where students can come to make an appointment, ask a question, get help, information and/or support. It also provides: educational information talks, class visits, up to date take away careers/educational information, email information service to students and access to relevant self help and career related books. Students are invited and actively encouraged to visit the Guidance and Counselling Service throughout the academic year.

GUIDELINES FROM THE GUIDANCE & COUNSELLING SERVICE FOR UNDERSTANDING PROGRESSION LINKS:

- All courses in this Prospectus are either QQI Level 5 or QQI Level 6 have a QQI Award Code e.g. 5M2061 - Mechanical Engineering.

- All courses have a minimum of 8 modules and all modules have individual component codes.

- Progression to Higher Education (HE) is on the basis of achieving a full award (major) at QQI Level 5 or QQI Level 6.

- The listed links in this Prospectus are with the Higher Education Institutions that St. John's Central College consider to be the most relevant links.

- For a complete listing of all QQI Level 5 and Level 6 links with Higher Education Institutions please consult. *http://www.cao.ie/index.php?page=fetac* QQI links with the HEI's are subject to change.

- For the majority of Level 6 and Level 7 courses in Institutes of Technology, the minimum entry requirement is a full QQI Level 5 or Level 6 award with "Any" QQI major award with either Leaving Certificate Maths (OD3) or a pass on a Level 5 QQI

- As Maths may be required as an entry requirement for progression purposes, in St. John's Central College Maths is offered as an optional module to students, except where Maths is already part of the award.

- Special links have been developed between CIT and St. John's Central College these have been established under the Cork Colleges Progression Scheme. *http://www.cit.ie/prospectivestudents.ccps*

- Other relevant links include Tralee Institute of Technology, Waterford Institute of Technology and Limerick Institute of Technology.

- Some QQI Level 6 courses/QQI Level 6 awards have advanced entry options/agreements with specific Higher Education Institutions e.g. CIT, ITT, WIT and LIT.

- Some of the linked courses in Higher Education Institutions may require a specific award, specific grade and/or specific module requirements (especially Level 8 courses).

- Some courses, especially Art and Design Courses and some Media Technology Courses, may have entrance criteria such as portfolios and/or interviews.

- A major award may be achieved over more than one year. However, some institutions (usually universities) require that an applicant's major award must be achieved and/or scored in a single sitting.

- St. John's Central College strongly recommend you to refer to each individual Higher Education Institution Website for a full listing of linked QQI awards.

- We advise you to consult the CAO website - www. cao.ie and *http://www.cao.ie/index.php?page=fetac_* to confirm specific entry requirements for Higher Education Institutions.

- QQI awards are recognised in many HEI'S in the UK and the EU. Application to the UK is via *www.ucas.com* and to other EU Institutes are per the application process of that country-check with the Service.

Any queries regarding St. John's Central College Progressions can be directed to our Guidance and Counselling Service - email: *progressionquery@ stjohnscollege.ie*

SUPPORTING ABILITY

St. John's Central College fosters an inclusive learning environment. It endeavours to accommodate disability and diversity and it aims to empower each student to participate in an inclusive learning environment, which is free from physical, attitudinal and informational barriers as is practically possible. This environment emphasises equality for all students and the focus is on ability and not on difference or disability.

STUDENT COUNCIL

St. John's Central College Student Council consists of representatives from every class group in the College. The Council provides a forum for students to discuss college issues of relevance to them. Meetings are normally held once a month. The College actively encourages student representation with student representatives on the College Board of Management.

DISCLAIMER

The College reserves the right to restructure or cancel any course without notice. This prospectus does not infer or impose any legal obligation on the Cork Education and Training Board or the College Board of Management to provide courses or other services to students.

ENTRY REQUIREMENTS

Application for a place on a course listed in this prospectus is not through the Central Applications Office (CAO) i.e. points are not required. Admission to a particular course is subject to places being available on the course and the following criteria being satisfied:

• That an applicant's previous education, training or experience, indicates that they are likely to benefit from participation in the course and be able to successfully engage with, and complete, the course
• That an applicant attends for interview and is considered suitable for the course based on their presentation at interview
• The participation of the applicant on the course will contribute positively to the course and will not impact negatively on the rights of other students or staff.

All applicants must be 18 years of age or older, on the commencement of the course. In general, applicants for Level 5 courses should have usually completed the Leaving Certificate, the Leaving Certificate Applied or their equivalents. The suitability of mature students will be based on their experience as well as any formal education qualifications.

Places on level 6 courses generally require that applicants have successfully completed a full Level 5 programme in a cognate area. In some instances the level 5 requirements for entry are specific to that course (see each course listing).

Places on courses are limited, early application is advisable.

ENROLMENT PROCEDURE

1. Complete the online application form. The application form can be completed at https://cms.enrol.ie/stjohnscollege2018. When you apply online you will receive a personal account and ID, this will enable you to view all college correspondence in relation to your application.
2. Applicants will be notified to attend for interview at the college and must bring the following when attending:
   • A copy of Leaving Certificate Results or equivalent (if applicable)
   • A copy of your birth certificate or passport
3. Successful applicants will be notified of the offer of a place on a college course after interviews or by post. To secure this place, applicants must pay the relevant Course Fee before a set date, as indicated in the communication of the offer. Failure to do so may result in the place being forfeited and offered to another applicant.
4. Applicants offered a place will receive full details of the registration process in an Applicant Information Guidelines booklet which should be read carefully.
5. For students whose first language in not English, you will also be advised at the time of offer of the date and time to attend for the compulsory English Language Assessment.

INCLUSIVITY

The college fosters a positive culture where every member of the college community has the right to be treated with courtesy, dignity and respect irrespective of disability, gender, age, religion, civil status, race, sexual orientation, family background or membership of the travelling community. The college recognises the very serious nature of discrimination and the negative impact that it can have on the lives of students and staff. As a college community we are fully committed to preventing and tackling intolerant behaviour. The college is an inclusive environment,

welcoming of difference and diversity while promoting respectful relationships throughout the establishment.

STUDENTS WITH DISABILITIES AND SPECIFIC LEARNING NEEDS

This College is committed to a policy of equal opportunity and welcomes applications from students with physical disabilities and specific learning needs. The College is committed to providing appropriate supports and assistance for such students, within the limits of available resources. Further Enquiries: disabilitysupportoffice@stjohnscollege.ie

INTERNATIONAL STUDENTS

This college welcomes applications from international students. Applications from citizens of EU/EEA countries are not liable for tuition fees, however other course fees apply.

To qualify for free tuition fees, you must meet criteria with regard to:
1. **Residence and**
2. **Nationality and immigration status**
3. **Course requirements**

1. Residence
You must have been living in an EEA member state or Switzerland for at least 3 of the 5 years before starting your course. The members of the EEA (the European Economic Area) are the member states of the EU, along with Iceland, Norway and Liechtenstein.

2. Nationality and immigration
You must also fulfil one of the following 6 criteria as regards nationality and immigration status in Ireland: You must:
• Be a citizen of an EEA member state (see above) or Switzerland or
• Have official refugee status or
• Be a family member of a refugee and have been granted permission to live in the State or
• Be a family member of an EU national and have permission to live in the State, with a stamp "4EUFAM" on your residence card or
• Have been granted humanitarian leave to remain in the State or
• Have been granted permission to remain in the State by the Minister for Justice and Equality, following a determination by the Minister not to make a deportation order under Section 3 of the Immigration Act 1999.

All other international applications are subject to tuition fees of €3,653

Applications from individuals in the process of seeking "leave to remain" are welcomed, enquiries should be made to internationalstudents@stjohnscollege.ie

Applicants from outside of the State who are not EU/EEA citizens, should note that an offer of a post leaving Certificate place will not entitle you to a study visa to enter the state.

FINANCIAL INFORMATION AND ADVICE

Course Fees
Courses in the college are funded by the Department of Education and Skills and SOLAS (the Further education and Training Authority, with support from the European Social Fund.

Course fees are made up of:
• Programme Participant Contribution
• Student Services fee
• Examination fees
• Course Specific costs

All students are required to pay, as part of their fees, the Department of Education and Skills (DES) Programme Participant Contribution of €200.

You may be exempt from paying this contribution if:
• You hold a Medical Card or are the dependant of a Medical Card holder
• You are a VTOS or BTEA recipients
• You are awarded a SUSI student maintenance grant

Students who apply for and subsequently receive a student maintenance grant will be refunded this contribution.

As part of the course fee, the college includes a Student Services Fee. This part covers the supply of additional classroom and study materials, some field trips, industrial site visits, guest lecturers on certain courses, access to college IT and printing supports for students, the availability of many college leisure and recreational opportunities and support for College teams and societies.

This charge applies to ALL students and no exemptions apply; however a student who takes up a confirmed VTOS place will have the charge refunded.

QQI (Quality & Qualifications Ireland) examination fees are €50 for Level 5, or €80 for Level 6.

Some courses are certified by other accrediting bodies in full, or may have additional certification from such bodies as well as the QQI certification. Each of these bodies set their own examination fees and these may vary slightly from year to year due to exchange rates. Individual course costs on the college fees page, www.stjohnscollege.ie/students/, include these fees.

All students who receive VTOS are exempt from paying examination fees; students who are holders of a Medical Card or a dependant of a Medical Card holder are exempt from paying QQI examination fees only.

Some courses incur additional costs for course related items, e.g. student's kits and uniforms, manuals etc. The Student Services fee includes all these costs. The costs associated any such items apply to all students, including VTOS.

A full breakdown of the fee per course is shown at HYPERLINK http://www.stjohnscollege.ie/students/.

By accepting an offer of a place, you are accepting the terms and conditions of CETB regarding fee payments.

MAINTENANCE GRANT (SUSI)
Learners attending full-time Further Education courses may be eligible for a means-tested maintenance grant. Information regarding eligibility and application details is available at www.susi.ie

VOCATIONAL TRAINING OPPORTUNITIES SCHEME- VTOS
The Vocational Training Opportunities Scheme (VTOS) provides a range of supports to allow individuals who

are unemployed to return to education or training. The scheme allows successful applicants to keep their Social Welfare Allowances while attending their course in the college. All full time day courses in the College are eligible for VTOS.

To qualify for VTOS, applicants must be over 21 years of age and have been receiving certain social welfare payments for at least 156 days (6 months). You may qualify for VTOS if you are unemployed and receiving any of the following benefits for at least 6 months:
• Jobseekers Allowance or Jobseekers Benefit.
• One Parent Family Allowance.
• Blind Pension
• Deserted Wife's Allowance; Widow's, Widower's or Surviving Civil Partner's Contributory Pension; Widower's or Surviving Civil Partner's Non-Contributory Pension
• Prisoner's Spouse Allowance.
• An Adult Dependent on a person in receipt of Unemployment Assistance.
• Disability Allowance
• Illness Benefit (you must apply to the Exemption Section, Dept of Social, Community & Family Affairs, Store St. Dublin 1 for an exemption to attend the course).

Places are LIMITED on the VTOS programme and are prioritised on the basis of:
(i)Educational need
(ii)Period of time in receipt of Social Welfare payments

TO APPLY FOR VTOS IN THE COLLEGE:
1.Complete the College Enrolment Procedure as above.

2.A VTOS Application Form is also filled out with a

passport size photograph included (Complete Part 1, 2 and 3 of the VTOS Application Form. Do not complete Part 4 and do not send the form to Social Welfare).

3.Return the form to the College VTOS Office.

4.The closing date for receipt of VTOS applications forms is September

1.Application Forms received after this date will be treated as a late application. Further Enquiries: vtos@stjohnscollege.ie

BACK TO EDUCATION ALLOWANCE- BTEA
The Back to Education Allowance (BTEA) is a scheme for unemployed people, lone parents and people with disabilities who are getting certain payments from the Department of Employment Affairs and Social Protection (DSP). DSP are the decision makers in relation to who will be awarded BTEA.
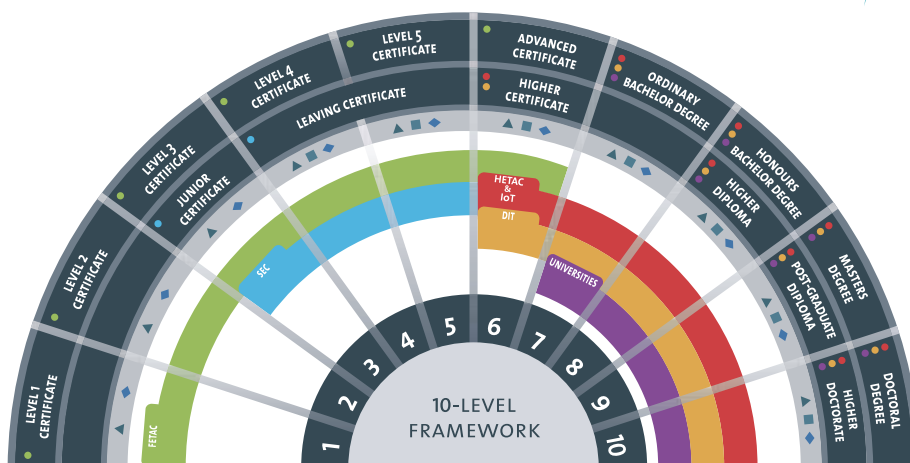

The allowance can be paid to people who wish to undertake approved second or third level courses of education. BTEA is not an unemployment payment. This weekly allowance is generally not means tested and you can work part-time without affecting your BTEA payment.

Any full time day course provided by the college is eligible for BTEA as long as the applicant is progressing their level of education qualification i.e. if an applicant has a level 5 qualification on the National framework of Qualifications (NFQ) they must undertake a course that leads to a level 6 qualification at least. Further Information is available at www.studentfinance.ie.

National Framework of Qualifications

Údarás Náisiúnta
Cáilíochtaí na hÉireann

National Qualifications
Authority of Ireland

AWARDING BODIES

- FETAC - Further Education and Training Awards Council
- SEC - State Examinations Commission *(Department of Education & Science)*
- HETAC - Higher Education and Training Awards Council
- IoT - Institutes of Technology *(make their own awards at specified levels under Delegated Authority from HETAC)*
- DIT - Dublin Institute of Technology
- Universities

AWARDS IN THE FRAMEWORK

There are four types of award in the National Framework of Qualifications:

- **Major Awards:** are the principal class of awards made at a level
- **Minor Awards:** are for partial completion of the outcomes for a Major Award
- **Supplemental Awards:** are for learning that is additional to a Major Award
- **Special Purpose Awards:** are for relatively narrow or purpose-specific achievement

GARDA VETTING

Garda Vetting is conducted on students attending courses where interaction with children or vulnerable adults is a feature of the course. Applicants who have been offered a place on these courses will be required to submit a Garda Vetting application prior to their commencement on the course

A GUIDE TO CERTIFICATION AND ASSESSMENT

The National Framework of Qualifications (NFQ) is the ten level system (1-10) giving an academic or vocational value to the qualifications obtained in Ireland. The NFQ levels help to indicate how an award can be used for training, education and employment opportunities, and allows for a comparisons and equivalencies to be drawn between different awards, courses and programmes

The diagram above shows a "fan" representation of the National Framework of Qualifications.

Quality and Qualification Ireland (QQI) is responsible for maintaining the NFQ and is the regulatory body for external quality assurance in further and higher education.
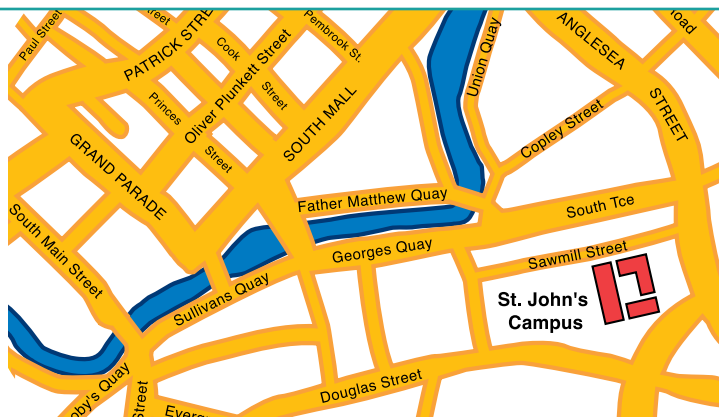

The majority of courses offered in the college are accredited at QQI Level 5 and Level 6. Some courses have accreditation from other awarding bodies. The NFQ allows for this accreditation to be given an equivalency within the framework that is clearly understood by students and employers.
